

19 SEP 1975

Dear Bill,

With reference to our conversation at the dining-in last evening, would it be too much to ask you for an autographed photo of yourself for my chief steward Tony (MSC Proceso C. Antonio, Jr.) and also one for my second steward Angelo (MS1 Angelo Viray)?

Both Tony and Angelo will be extremely pleased to have one.

Warm regards,

A handwritten signature in dark ink, appearing to be "E. F. Rectanus".
